Candle Fundraiser

A quality candle with purpose. White Clover candles are hand-poured on our family farm in York, Pennsylvania. We use 100% soy wax, zero chemical additives, and phthalate-free fragrance oils. We are second-generation candle makers who create our candles with care and attention to detail every week in small batches. They burn evenly and smell so incredible! For small family farms like ours, we need to diversify our products to keep our farm sustainable, especially during slower seasons. By choosing White Clover for your fundraiser, you help preserve beautiful farmland!
